Want to learn how to dance like your favourite pros?

Here's your chance!

Kellie Nuovo invites dancers, parents, and friends to take part in an 8-week exploration of the various disciplines of **Ballroom Dance**. Each week you will learn the basic steps of a specific ballroom dance style including, the Waltz, Jive, Cha Cha, and more. We will explore the basic structure and technique of each style, culminating in the performance of simple routines, highlighting acquired skills, and allowing students to express themselves in an explosion of **style**, both *classy*, and *sassy*!
